JET
BLVCK
LONDON,

WHO
WE
ARE

We are a award winning,
full-service, bespoke multi-media &
brand agency designed to impress.

Our expert team of seasoned professionals are a collective of skilled specialists and obsessive individuals with a fanatic dedication to exceed expectations. We harbour a passionate dedication to unparalleled authenticity, evidenced by our top-of-the-line, affordable service offerings.

Our dedication to deliver high-quality work, on time and on budget, has earned us a reputation as a trusted partner for businesses of all sizes.

Make a statement, look good, be bold. We're here to enrich your brand, transforming how customers from across the spectrum see you. As other brands crowd in, we're focused on standing out, shining a light on offerings like yours by creating captivating content that stimulates and enthralls.

TELEVISION, FILM & SOCIAL MEDIA

ANIMATION GRAPHICS

Create visually-engaging and dynamic animations that add value to your television productions, film productions or social media content .

We offer a wide range of services in the field of television, film animation graphics, brand and social media content creation.

Our team of experienced animators and motion graphics designers work closely with clients to understand their creative goals and develop a unique visual style that complements their project's and brands overall aesthetic. Using industry-leading software we create visually-engaging and dynamic animations that add value to your needs.

Whether it's creating complex 3D models, character animations, logo animations or special effects, our team has the technical expertise and artistic vision to bring your ideas to life. We can also help to design and animate visual elements such as opening and closing credits, title sequences, and transitions, that make your productions stand out.

Our focus is always on delivering exceptional results that exceed client expectations. We work diligently to ensure that our animations and motion graphics are seamlessly integrated into your production and brand and help to enhance the storytelling and visual impact of your project.

Trend

CORPORATE & TRAINING

MOTION GRAPHICS

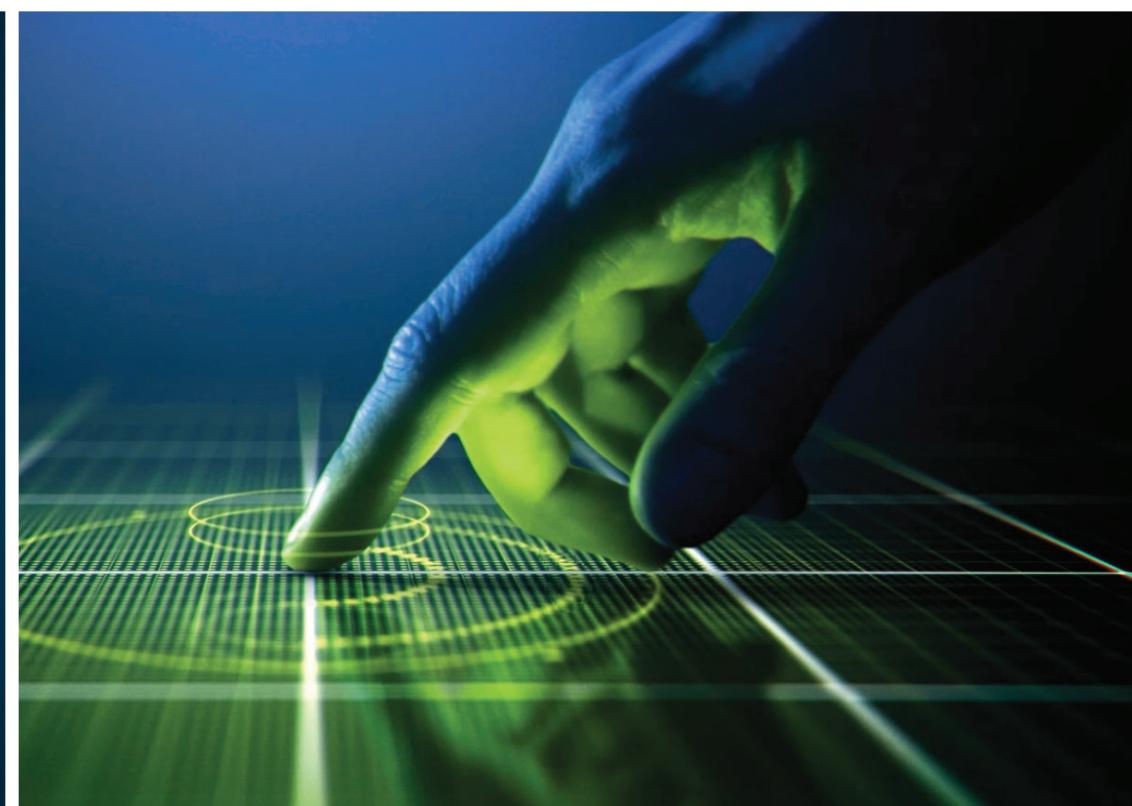

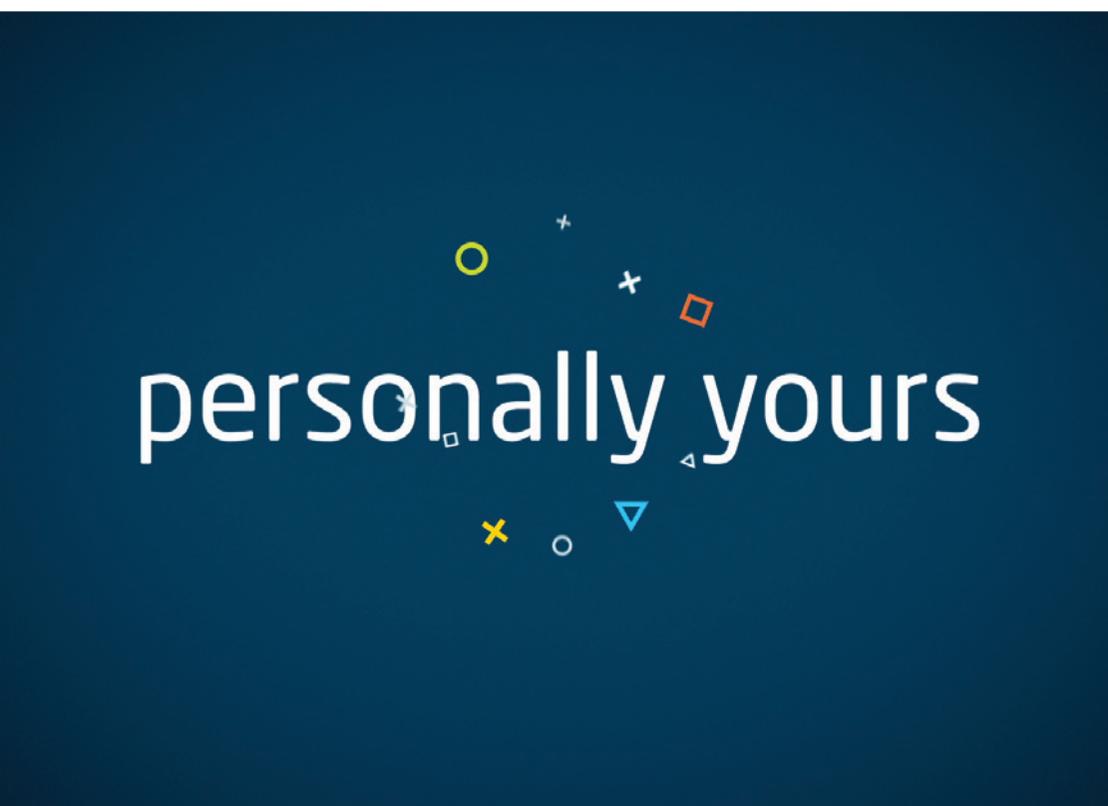

Communicate your message
more effectively and efficiently,
resulting in better understanding,
retention, and engagement.

We understand the importance of effective communication in corporate and training environments. Motion graphics can help deliver your message in an engaging and memorable way. From explainer videos, training videos to animated presentations, we are committed to delivering high-quality motion graphics that meet your specific needs and exceed your expectations.

Our team of talented designers and animators are here to create customized motion graphics that will elevate your content and help you stand out in your industry.

These motion graphics can range from explainer videos and product demonstrations to animated presentations and e-learning modules. They are designed to simplify complex ideas, capture attention, and enhance learning outcomes and ultimately help organizations stand out in their industry and improve their brand image.

Company and corporate videos are audiovisual masterpieces that showcase a company or organization's products, services, values, and mission.

In today's fast-paced and highly competitive business world, it's more important than ever to have compelling and engaging video content that showcases your brand and tells your story.

Our team of experienced videographers, editors, and storytellers are here to create high-quality videos that will capture your audience's attention and leave a lasting impression. Whether you need a corporate video to introduce your company, a product demo video to showcase your latest offerings, or a customer testimonial video to build trust and credibility, we are here to help.

We work closely with you to understand your goals and vision, and then use our expertise to bring your ideas to life. Let us help you create videos that will elevate your brand and drive business results.

BRAND & GRAPHIC

DESIGN SERVICES

It is crucial for companies to have a strong and effective brand identity that resonates with their target audience.

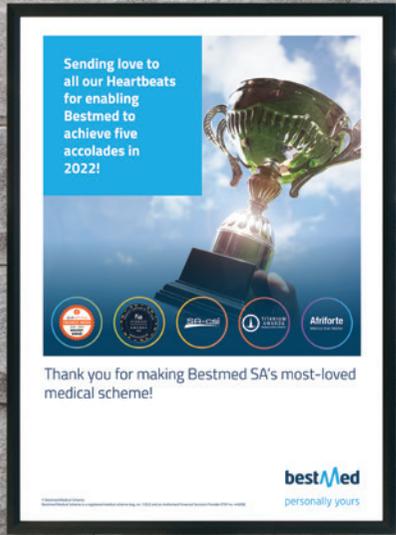

At **Jet Black London**, we understand the importance of creating a cohesive brand identity that accurately represents your business and sets you apart from your competitors. Our branding services include corporate identity design, brand strategy, brand building and brand guideline development that ensure consistency across all marketing materials.

In addition to branding, our graphic design services cover a wide range of visual communication needs, including website design, social media graphics, packaging design, brand activations, brand building and a vast array of print materials such as brochures, flyers, company stationary, outdoor and indoor branding systems and outdoor marketing systems.

We take pride in our ability to work closely with our clients to understand their unique needs and goals, and to develop customized solutions that meet their specific requirements.

If you're looking to elevate your brand and create designs that make a lasting impression, look no further. We're here to help you tell your story and connect with your audience in a meaningful way.

CORPORATE GIFTING &

PRINTING SERVICES

Let us bring your designs to life with bold, professional, and impactful prints, signage and corporate branding that make a statement.

At Jet Black London, we are excited to expand our offerings with high-quality printing services to support your branding and marketing needs. Whether you're looking for business cards, brochures, banners, flyers, posters, packaging, or promotional materials, we ensure that every printed piece reflects the excellence and creativity that define our brand.

Using state-of-the-art printing technology and premium materials, we provide vivid colors, sharp details, and durable finishes to make your designs stand out. Our team works closely with clients to ensure seamless execution, from concept to final print, offering tailored solutions that meet your unique requirements.

With our commitment to precision, speed, and affordability, Jet Black London's printing services help businesses leave a lasting impression, whether for corporate branding, marketing campaigns, or event promotions. Let us bring your designs to life with bold, professional, and impactful prints that make a statement.

CLIENT

FEEDBACK

What some of our esteemed client have to say.

“After more than a decade of working together, they are still my first choice when it comes to service and creativity.”

Francois Nolte - Director and Producer, Green Planet Productions

“Working with Jet Black London for the past 15 months has only been a pleasure – their positivity, professionalism and commitment to going the extra mile are major assets. Bestmed benefits substantially from JBL’s design and animation expertise and can highly recommend their services.”

Denelle Morais - Marketing & Communications Manager, Bestmed

“We have been working with JBL throughout the last 4 years on a variety of brand-specific needs including brand development, alignment, strategy and creative execution. Throughout this time, including their wonderful support during the pandemic, we have been able to elevate our creative output, brand custodianship and marketing alignment to new heights. It truly is a joy to work with Herby and Marilize and their extended team, and we look forward to many more years of partnership.”

Reinhard du Plessis - Head of Marketing, ATKV

“Best in the business.” - **Carlo Hayes - Owner, CH Diamonds**

“Professional with a personal touch.” - **Collaborit**
